Education

Dental Assisting is a complex and demanding profession that requires a high level of skill and knowledge.

DAA Qld Inc. can provide you with the opportunity to gain greater professional recognition with access to an Association that is dedicated to optimising your career and performance.

In response to the increased demand for trained personnel, DAA Qld Inc. plays an active role in supporting Registered Training Organisations in the delivery of training to Dental Assistants. The DAA Qld Inc. is involved in the development and review of educational material used in Dental Assistant training.
